Dear All,

Please disregard earlier version of the Jane remarks. This one is the most current, with a few edits. Notable is that I went ahead and

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I think I should share this major revision with Martin and OAQPS colleagues before sending to our interagency. Are you good with me sending along this version to Martin and OAQPS now, or do you want to take a gander first.

Ted

Here is the revised version of the remarks. Come out to about 1,300 words that is ballpark for the 7 minutes allotted, but at the upper end. I have highlighted in yellow suggestion of section that could be cut to shorten further if needed.

As requested in the briefing for Jane, I have also:

Ex. 5 Deliberative Process (DP)

Suggestions most welcome.
